

Advancing TVET for Youth Employability and Sustainable Development

Shamsuri Abdullah, PhD

TVET Coordination Division

Department of Polytechnic and Community College Education,

Ministry of Education

Content

- Definition of TVET
- Role of TVET
- TVET Issues and Challenges
- Strategies

What is TVET

 Education and Training process that has occupational direction with major emphasis on industry practices

Role of TVET

- Reducing unemployment
- Reducing poverty

Youth unemployment

 Youth unemployment rate is high in comparison to other labour market participants and rising slightly more than the rest.

SPM leavers joining TVET

Number of students joining TVET after SPM have increased gradually

Issues and Challenges

- Limited acces for minority/disadvantageous groups
- Multiple TVET providers
- Mismatch between Demand and Supply
- Low salary for TVET graduate
- Low perception on TVET

Current Status

658 Public TVET Institutions
